

explanation

Let your teacher begin by reading these lines to you.

Listen to what these animals have to say and then you can read the words given in different colour:

Hi! I am a Tippy
Tappy ant
I wear a red **cap**
My feet go tip-a-**tap**

Hello! I am Jiggly
Wiggly elephant.
I am **big**
And I can **dig**

Hello! I am a Tan Man tiger
I drive a yellow **van**
Catch me if you **can**

Hi! I am a Hot Shot
peacock
I like to **hop** on the
top
And **jog** in the **fog**

Hello! I am a Ponkey
Wonkey monkey
I love to **run**
And have **fun**

activity

Let us play 'Find your home'.

Your teacher will draw houses in the corners of the room. She/he will name each house after the 'ending sounds' you have already learnt. These names will also be your family names like 'at family', 'un family', 'ap family', 'en family'.

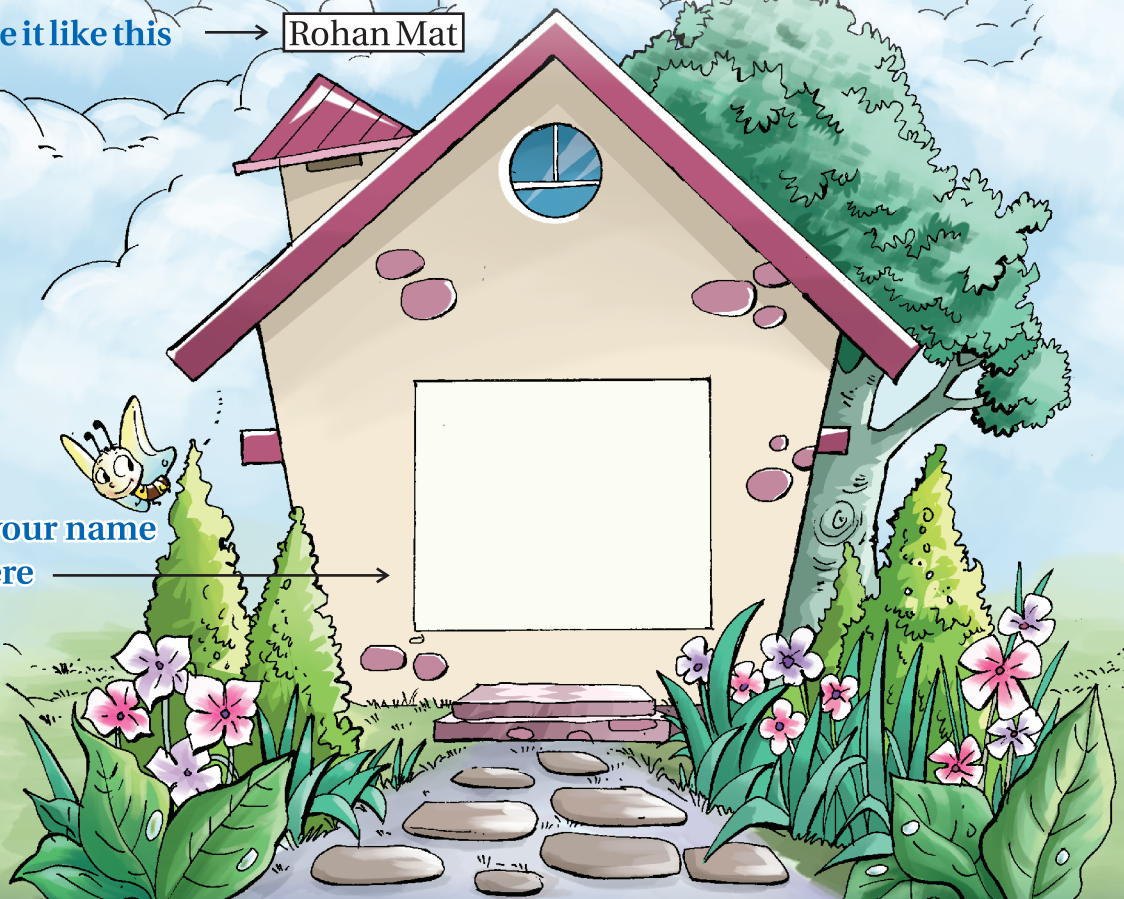

Now, each child gets a word chit ending with these sounds like cap, cat, bun and ten. When your teacher says 'start', read your word carefully and try to reach your home as fast as you can. The family which assembles first, wins.

Now, make your own name slip in which you will replace your surname with the word you got in your chit. Paste it in the box inside the house.

Make it like this

Rohan Mat

Stick your name slip here

Let me go and see which family won!

Hi! Paste your picture in the blank space given below and be a part of our group.

So now, we all are friends.

Let us recognise different sounds, which we come across in our day to day life when we converse.

Let us clap and say the alphabet from 'a' to 'z'.

Write down all the words you have learnt in this lesson.

A series of horizontal lines for writing, alternating between pink and light blue colors. The lines are spaced evenly down the page, providing a guide for handwriting practice.
