Janmashtmi Celebration

We at Millennium World School celebrate all holy occasions to promote brotherhood, togetherness, goodwill and respect amongst the students. The arrival of the birthday of Lord Krishna also called Janmashtami, signifies unity and faith. It is celebrated with great fervor and excitement. This day is observed on the Ashtami tithi, the eighth day of the dark half or Krishna Paksha of the month of Shraavana.

Independence Day Celebration

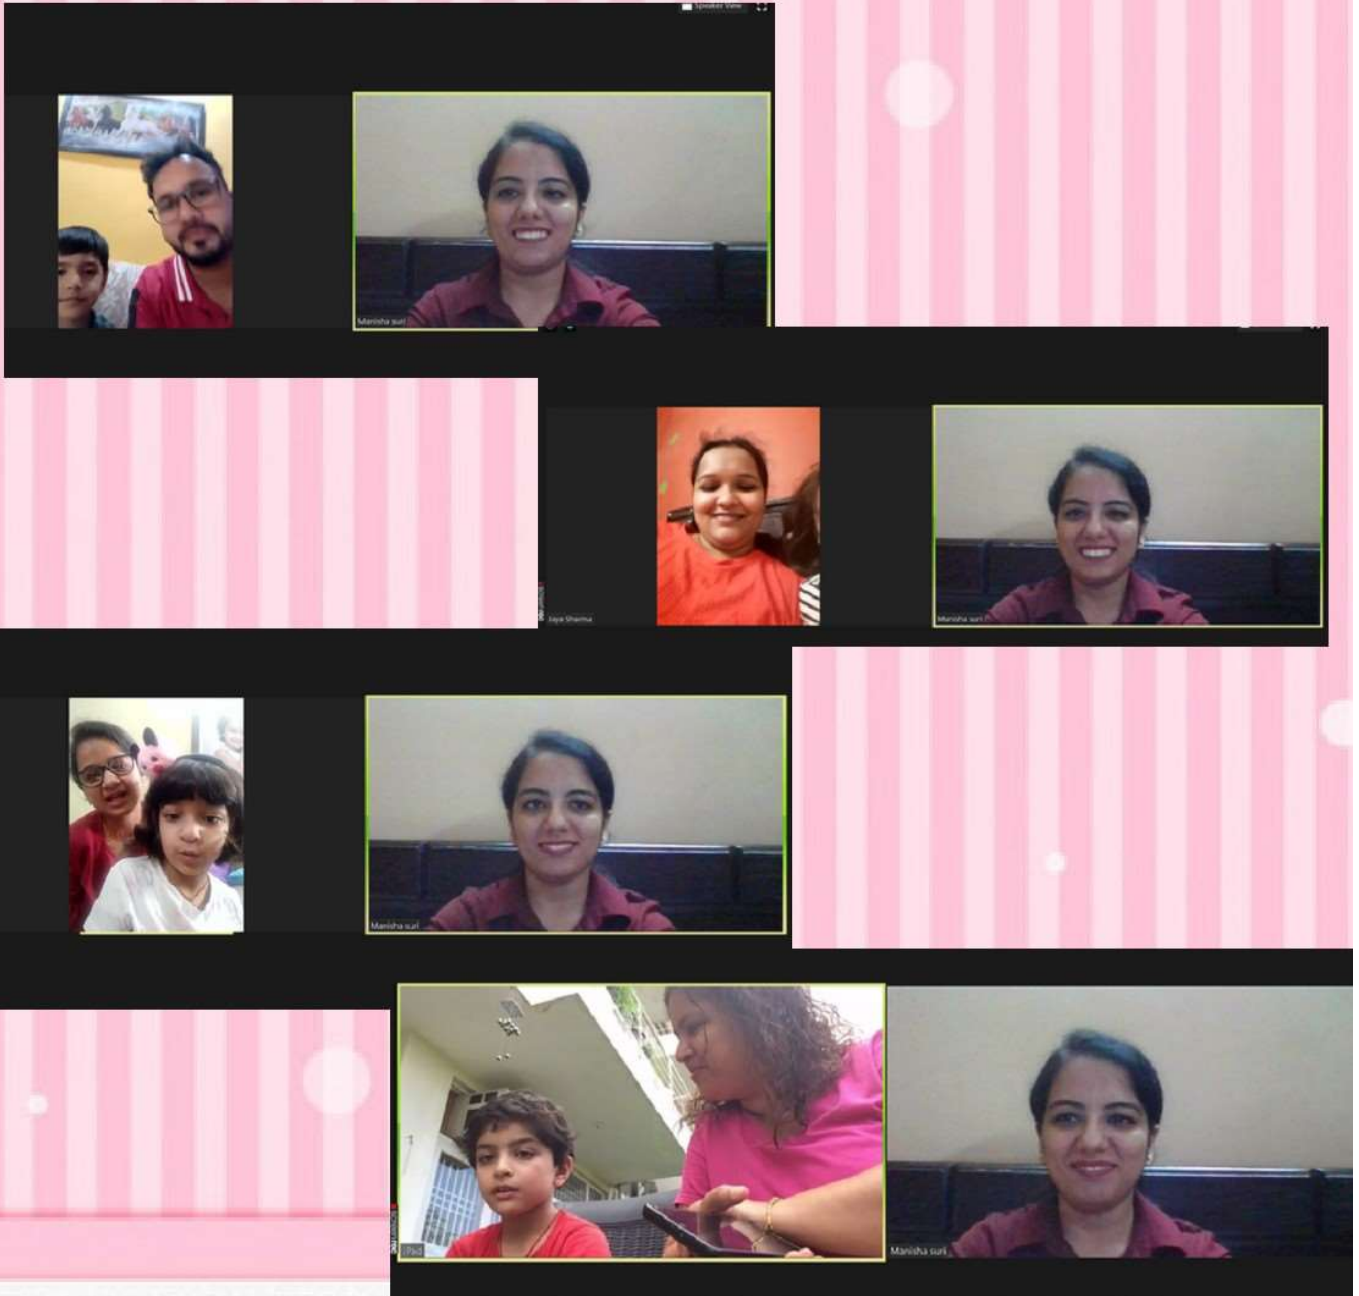

**On 14th August 2020, the school proudly celebrated the
74th**

Independence Day of India via Zoom with great enthusiasm and patriotic fervor. The students and staff were dressed up in tri coloured clothes. To instill a feeling of patriotism and to make the children more aware of the innumerable sacrifices made by our great leaders, an assembly was conducted for Class 1 and 2 . The students sang patriotic songs and also presented a beautiful dance performance glorifying our independence.

**GROUP SONG BY: AADVAY, AVINAY,
SHAURYA, AGAMDEEP, AASHITA,
GARV AND KAVYANSH**

Virtual PFM

A VIRTUAL PARENT-TEACHER MEETING WAS ORGANIZED THROUGH ZOOM MEETING WITH AN OBJECTIVE TO BRING THE EDUCATOR AND THE PARENT TOGETHER FOR UPLIFTING THE STUDENTS. WE FELT SO OVERWHELMED TO SEE THE CONTINUOUS SUPPORT FROM OUR ESTEEMED PARENTS THAT WE ARE GETTING EVEN IN THIS TIME OF CRISIS. THE PARENTS NOT ONLY ATTENDED THE MEETING BUT ALSO ACKNOWLEDGED AND APPRECIATED THE EFFORTS OF SCHOOL MANAGEMENT AND TEACHERS IN PROVIDING QUALITY EDUCATION TO THEIR WARDS.

Climate Action Project

Millennium World school Faridabad has pledged and initiated the movement of climate action project. Students of Grade 1, have examined some of the potential solutions for climate change or specific environmental issues that are affecting our planet. To mitigate this cause and to save our mother earth at the individual level, they have prepared recycled planter and have written a thankyou letter to their plants. They learnt about how we can ultimately lead to a better climate worth living."Trees provide us with many benefits necessary for survival, including clean air, filtered water, shade, and food. They also give us hope and insight, and courage to preserve - even in the harshest conditions. Trees teach us to stay rooted while soaring to great heights." Keeping these thoughts in mind students pledged to plant a tree on their birthday every year.

Interaction with Serbia

During week 3 of the Climate Action Programme, a special session was arranged for the students of grade 1 and 2 in collaboration with Naša Radost School, Subotica (Serbia). It was a highly interactive yet informative session where our school presented their viewpoints and suggestions on what are the causes and effects of climate change. The students had pledged about planting more and more trees and taking up the climate action project forward for a sustainable environment in future.

I really enjoyed interacting with friends from Serbia. We shared with them the steps taken by our country to prevent pollution and reduce climate change.

MGLC with Malaysia

Learning and sharing should go hand in hand'. We at Millennium World School, Faridabad strongly believe in making new relationships for the betterment of mankind. So, to continue our zest, yet another session was organized with the students of 'Malaysia'. The students of grades 1 and 2 had a wonderful experience of Virtual Interaction with the students of Malaysia. It was indeed a very enriching session as students got to know about each other's country. Malaysian children explained the rituals which were performed in the wedding and even Malaysian people got to know about the Indian Games and the laurels won by India. It had again set a fantastic example of the great deed.

National Mathematics Day

“Maths gives us every reason to hope that every problem has a solution” National Mathematics Day is observed on 22 December every year. It is celebrated in order to honour the birth anniversary of famous mathematician Srinivasa Ramanujan. He was a world-famous mathematician who made a remarkable contribution in the fields of mathematics. Mathematics day was celebrated in Millennium World school, Faridabad with the objective of creating awareness about the importance of mathematics in day-to-day life situation and also to create students' interest in studying Mathematics. As part of the celebrations, an online mathematics quiz was organized for the students of grade- 1.

Spell Bee Competition

Learning a language is the foremost step in the life of a child as it helps him/her to communicate with the world. The Spell Bee Competition which was held at Millennium World School, Faridabad aimed at creating awareness of the possibilities of using varied words in written expression and to add words to the active vocabulary of students. The competition was organised for classes I and it comprised dictation, identify the picture, scrabble and riddles. The objective of the competition was to enhance the spelling and literary skills of children by encouraging them to explore the English language, expand their vocabulary. This language development programme comprises learning through the play-way method and healthy competition is thus encouraged.

Republic Day Celebration

On the occasion of Republic Day students of Grade 1 performed on - Rajasthan, the 'Cultural Capital of India'! One of the most alluring tourist destinations in the world, the 'Land of Maharajas' is one such place that showcases the most exuberant colours and cultures. From the costumes to people's food habits, religious celebrations to social gatherings, Rajasthan still adheres to its diverse traditions and rich cultures. Students showcased their talent with dance performance, songs
